

# TGPCA

Welcome to TGPCA

Endowed with an excellent infrastructure and motivating faculty, We are committed to establish and enhance the importance and role in the challenging field of Architecture. We have always been on the fore front and in pace with the latest technological development. It is our dream, that keeps us motivated, to make our campus a hub of Architectural education and experimentation. We are therefore forever keen to introduce as many courses possible to our students.

## ABOUT THE INSTITUTE

**Tulsiramji Gaikwad-Patil College of Architecture** was established by Vidharbh Bahu-udeshiya Shikshan Sanstha in the year 2011 in a new ultra modern campus located at **Mohgoan, Wardha Road, Nagpur - 441108.**

Nagpur is fast emerging on the countries map as one of the most vibrant city. Metropolitans Nagpur with a cosmopolitan population reaching about 3 million is located almost in the center of the country with excellent road, rail and air connection with all corners of the country. Its importance is further augmented by the inception of MIHAN that will also create many opportunities in the region for future architects. Due to its unique geographic location and connectivity Nagpur attracts large number of students from all over the country seeking technical and professional qualification.

Establishment of TGPCA with its good infrastructure will certainly prove to be right step in the right direction.

**Vision:** The vision of College of Architecture is to fabricate a generation of creative and professional architects, with out-standing capabilities and sincere intentions; and ultimately advance the well being of the people of India. At TGPCA we shall be creating a network of youth empowered with architectural skills and knowledge to be able to contribute to the national evolution through their conceptions and propagation of knowledge.

### **Mission:**

We recognize Architecture as a good test of the true strength of a community and our mission is to strengthen this vital aspect of the community. We shall create the campus environment where students are:

Exposed to exciting campus events that build social skills.

Challenged by industry projects that open their eyes to the complexities of the real world.

Stimulated with personal freedom to explore and experiment that build confidence and shape opinions.

Engaged in incubation of new designs involved in community work that adds value and meaning to their lives.

# THE PILLARS

Dr. Mohan Gaikwad-Patil, a first-generation entrepreneur, is the Founder and Chairman of the Gaikwad-Patil Group with interests in Education, Infrastructure, Transport, Agriculture and IT. Though he started his career as a Lecturer in an engineering college, it was his dream to establish top-quality institutions of learning in the region of Vidarbha. Today he is the driving force behind the establishment of nearly a dozen educational institutions under the Gaikwad-Patil Group. He founded two Engineering Colleges, one college each of Architecture, Pharmacy and Education, a CBSE school and a host of other centers of learning under the Gaikwad-Patil Group of Institutions, all of which have acquired a reputation for excellence. His passion for academics also led him to pursue his Doctorate in Mathematics despite an extremely busy schedule and his hard work was recognized when he was awarded a Ph.D. in 2013. Barely in his early forties, Prof. Gaikwad is the young and dynamic face of the Group. His contagious enthusiasm and unflagging drive is truly inspiring.

Prof. Sharad Patil is an academician and activist of repute. He has been a Reader in Dr. Punjabrao Deshmukh Agriculture University, and subsequently the Honorary Head of the Department of Journalism in RTM Nagpur University. A dedicated academician, Prof. Patil is still pursuing his passion for imparting communication skills to students and professionals. An ardent campaigner of farmers' rights, he was a popular activist of the Shetkari Sanghatana in Vidarbha. As Advisor to Jan Manch, a voluntary organization, he regularly takes up issues of concern for the common man. He was also National President of the Akhil Bharatiya Andhashraddha Nirmoolan Samiti, an organization that works towards the eradication of superstitions.
