

Tulsiramji Gaikwad-Patil College of Architecture, Nagpur

Program outcome (PO)	
PO1	Do you Apply the knowledge of mathematics to the solution of complex engineering problems
	Do you Apply the knowledge of science to the solution of complex engineering problems
	Do you Apply the knowledge engineering fundamentals to the solution of complex engineering
PO2	Do You Identify, formulate, research literature
	Do You analyze complex engineering problems reaching substantiated conclusions using first
	Do You analyze complex engineering problems reaching substantiated conclusions using engineering
PO3	Do you able Design solutions for complex engineering
	Do you able design system components or processes that meet the specified needs with appropriate
	Do you able design system components or processes that meet the specified needs with the cultural,
PO4	Do you Use research-based knowledge to provide valid conclusions.
	Do you Use research methods including design of experiments, analysis and interpretation of to provide
	Do you Use synthesis of the information to provide valid conclusions.
PO5	Do you Create, select, and apply appropriate techniques to complex engineering activities with an understanding of the limitations.
	Do you use resources, and modern engineering to complex engineering activities with an understanding
	Do you use IT tools including prediction and modeling to complex engineering activities with an
PO6	Do you Apply reasoning informed by the contextual knowledge to assess societal and cultural to the professional engineering practice.
	Do you Apply reasoning informed by the contextual knowledge to assess health, safety to the
	Do you Apply reasoning informed by the contextual knowledge to assess legal and the consequent
PO7	Do you Understand the impact of the professional engineering solutions in societal Context for sustainable development.
	Do you Understand the impact of the professional engineering solutions in environmental contexts for
	Do you Understand the impact of the professional engineering solutions to demonstrate the knowledge
PO8	Do you able Apply ethical principles
	Do you commit to professional ethics and responsibilities
	Do you apply norms of the engineering practice
PO9	Do you Function effectively as an individual
	Do you Function effectively as a member or leader in diverse teams
	Do you Function effectively in multidisciplinary settings.
PO10	Do you Communicate effectively on complex engineering activities with the engineering community
	Do you Communicate effectively and able design documentation, make effective presentations
	Do you Communicate effectively and give and receive clear instructions.
PO11	Do you Demonstrate knowledge and understanding of the engineering and management principles as a
	Do you apply management principles and finance to manage projects
	Do you apply management principles and finance to one's own work, in multidisciplinary environments.
PO12	Do you realize the need for lifelong learning
	Have you prepared for lifelong learning
	Do your ability to engage in independent and lifelong learning in the broadest context of technological change

Farewell ♥

Convocation day

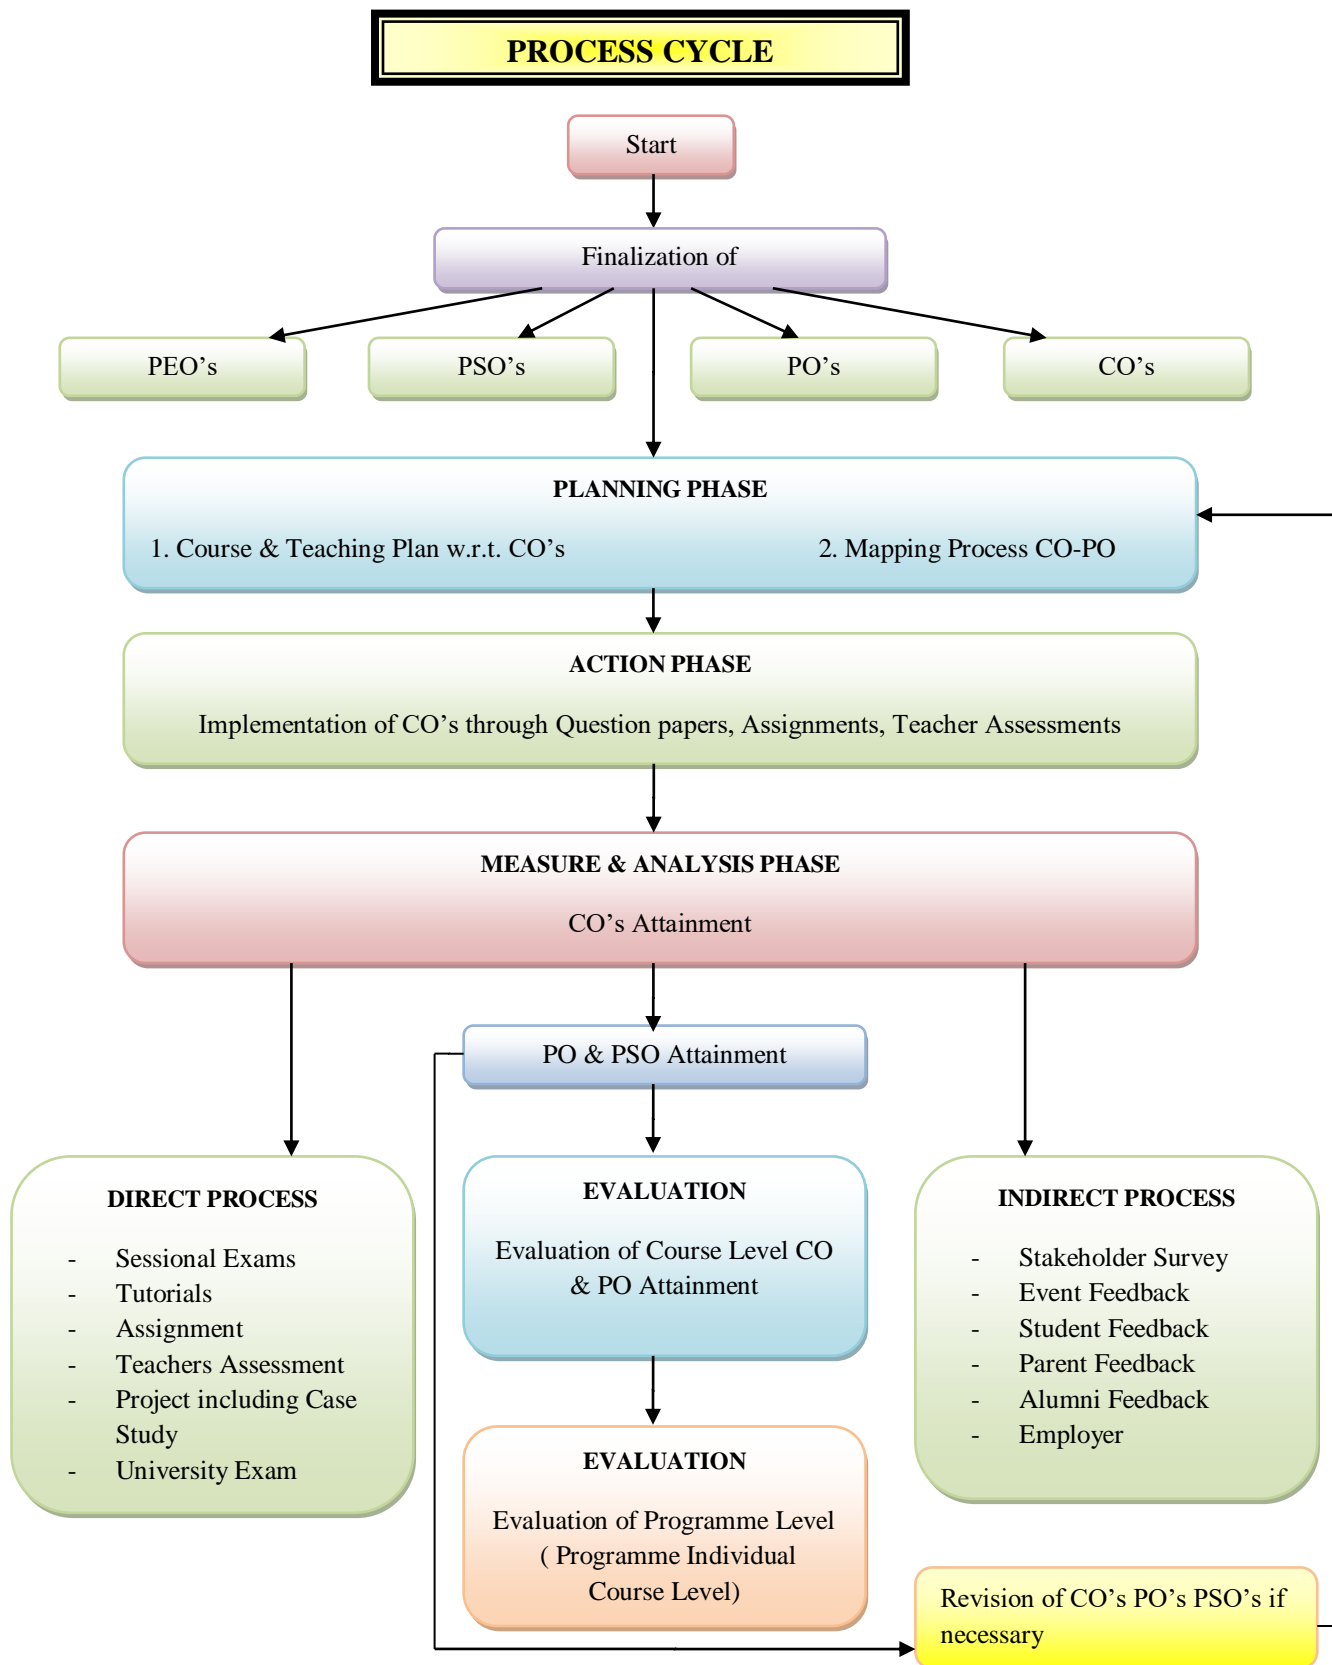

Farewell 2k18 and convocation ceremony.

Throughout 5 years the journey has been memorable but the farewell we got by our juniors was very special and our Oath taking Ceremony.

Our first year classes
