TGPCA Organized online five days Short term training program on Vastu Shastra

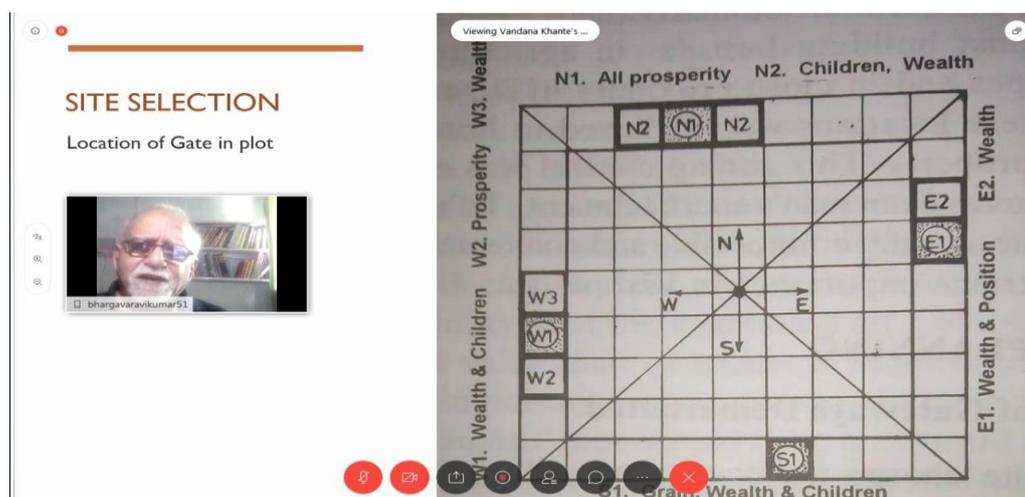

Tulsiramji Gaikwad-Patil College of Architecture organized an online five days Short term training program on Vastushastra from 8th June to 12th June 2020. Vastu Shastra is a traditional Indian system of architecture originating in India. Texts from India describe principles of design, layout, measurements, ground preparation, space arrangement, and spatial geometry. The design aim to integrate architecture with nature, the relative functions of various parts of the structure, and ancient beliefs utilizing geometric patterns, (yantra) symmetry, and directional alignment. The STTP aims at covering different aspects of Vastu Shastra in Architectural planning.

The Resource person of the program was Dr. Ravi Kumar Bhargava, Senior Professor and Design Chair at TGPCA. The convener of program was Prof. Vandana Khante, Principal. The online platform to conduct session was organized by Mukul Pande, Director IT. Prof. Nitesh Jibhkate and Prof. Shruti Vibhute were coordinator of Program.

The program received huge response from all over India and also globally.
