

## TGPCA celebrated the World Environment Day

Tulsiramji Gaikwad-Patil College of Architecture celebrated the World Environment Day in Mohgaon village on 5th June 2019 in presence of women & children. The importance of preserving & protecting environment was explained to villager's present by Prof. Vandana Khante, Principal;

saplings of various indigenous plants were distributed to the ladies present. The importance of not to burn leftovers of the crop in the field to protect the environment was also explained. Alternative methods for disposal of waste were suggested.

Teaching and non-teaching staff and students grace the program. The program was coordinated by Prof.Nitesh Jibhkate.
